Lessee shall abide by and enforce all park rules and regulations relating to the rental of the facilities as listed below.

- Be courteous to other park users.
- Share the facilities as needed. Areas that have been rented will be clearly marked and may not be utilized by other visitors during the rental period.
- Walkways must remain clear. The walkways are meant for casual walking and biking. When using the walkways, pedestrians have the right of way.
- Skateboarders and bicyclists are only permitted on the Macadam walkways and should yield to pedestrians. No skateboards, hover boards, scooters, bicycles, roller skates, or other moving vehicles other than wheelchairs, mobility aids, and other power-driven mobility devices in compliance with the Americans with Disabilities Act are permitted on the basketball courts.
- The park is open at dawn and closes at dusk. No loitering, including overnight stays, is permitted between dusk and dawn.
- All animals must be kept on a leash, except in the enclosed dog park. Clean up after your animals – a waste container has been provided for that purpose. Animals are not permitted within the fenced playground area.

- Grills for picnic use are permitted, provided they are placed on grass areas, not on the sidewalks around the pavilions.
- If food will be sold outside of the concession stand a \$25 Permit must be acquired from the township office 5 days prior to the event. Electricity from the concession stand may not be used to power food trucks.
- **Any structure needs pre-approval of the township. If approved, any tent or structure requiring stakes to secure needs placement approval by the Public Works Director.**
- **Cans for trash and recycling are available. We ask that if the lessee fills more than one can of trash and/or recycling, the full bags get put into the dumpsters that are in the parking lot and not left beside the trash can(s). Littering (including cigarette butts) is prohibited and will not be tolerated.**
- The parking space adjacent to the Large Shamrock Pavilion is for loading purposes only. Do not use the paths for motor vehicles other than temporary parking for dropping off passengers and supplies at this location. Vehicles must move cautiously and yield to pedestrians and bicyclists on the path.
- No Driving or Parking on Grass
- There is no solicitation in the park other than permitted food sales, unless pre-approved by the Township.
